Attention City of Kerrville Residents:

Allied Waste is continuously looking for ways to improve our service delivery to all of our valued customers. In an effort to increase our safety focus within the community and continue to provide you with the highest level of quality service we will be eliminating the Saturday collection day and re-aligning our route days to be Monday through Friday.

We have shifted certain areas in order to accommodate the new Monday through Friday service days. *(Please refer to the map indicating the areas and days of service located at the Kerrville Post Office or at the City of Kerrville Website, [www.kerrvilletx.gov](http://www.kerrvilletx.gov)).* We will implement this change beginning January 1, 2012.

If you live on one of the following streets that are a boundary between service days and your home address is an **EVEN** number then your service day will be as follows:

Webster St-Tuesday

Tivy-Wednesday

Waters St *(between Webster St and Sidney Baker St)*-Wednesday

If you live on one of the following streets that are a boundary between service days and your home address is an **ODD** number then your service day will be as follows:

Webster St - Wednesday

Tivy - Thursday

Waters St *(between Webster St and Sidney Baker St)* - Tuesday

We have enjoyed our partnership with the City of Kerrville over the years and look forward to continuing that relationship for many years to come.

We hope this change will not cause you any inconvenience. If you have any questions, please call our customer service department at 830-257-3831.

*"Please note: This only applies to residents that live inside the Kerrville city limits and receive trash and recycling services through the City of Kerrville"*

Thank you.
